

Preparing for Certification - Support Webinar

Considering MUSIC & MEMORY® certification for your organization? Join us for this informative webinar. We'll discover what the program is, advantages of certification, strategic uses and benefits, associated costs and what's included, who should be involved, and how to get the most from future Certification training. Invite your team: administrator or management, nursing, rehabilitation therapy, marketing, social services, dietary and activities staff. Music & Memory is everyone's program.
