Civil Money Penalty (CMP) Reinvestment Application Template Coronavirus Disease 2019 (COVID-19)

Communicative Technology Request

Instructions

The Centers for Medicare & Medicaid Services (CMS) has issued Guidance for Infection Control and Prevention of COVID-19. This guidance directs nursing homes to significantly restrict visitors and nonessential personnel to protect nursing home residents. Recognizing that visitor restrictions may be difficult for residents and families, CMS has developed this application template for requests for the use of Civil Money Penalty (CMP) Reinvestment funds to provide residents with adaptive communicative technologies.

Applicants shall submit this CMP Reinvestment Application to the applicable state agency (SA). The SA shall make a determination on the potential of the project to benefit nursing home residents and improve their quality of care or quality of life. The applicant will be notified by the SA about a funding decision, and applicants may contact the applicable SA with questions about their CMP Reinvestment Application.

NOTE: This template can only be used for communicative technology and accessories for nursing homes.
